Counseling Psychology Division 17

A division of The American Psychological Association

Application for Dues Waiver

The Society of Counseling Psychology provides a limited number of dues waivers for members in difficult economic circumstances. Members may receive a dues waiver for up to three years over the course of their membership. Dues waivers are available only to SCP members. During the year of the dues waiver, members retain full membership privileges in the society. Applications should be submitted to the SCP Membership Committee Chair and are due December 1 of the year prior to the membership year for which the dues waiver is sought. For example: an application for a dues waiver for 2013 is due December 1, 2012.

Name _____ APA Member Number _____

Address _____ Email _____
