

Call For Proposals
Society of Counseling Psychology (APA Division 17) Student Poster Session
American Psychological Association Convention 2018
San Francisco, CA, August 9th - August 12th
Submission Deadline for Proposals: March 23, 2018, 11:59PM PST

Proposals are now being accepted for a Student Poster Session co-sponsored by the Council of Counseling Psychology Training Programs (CCPTP), Division 17 Sections, and the Division 17 Student Affiliates of Seventeen (SAS). Poster proposals may be empirical studies or theoretical considerations relevant to the specific Division 17 Section to which they are submitted. The first author on the proposal must be a student (or have completed the project while a student or intern) and must either be a student affiliate of Division 17 or sponsored by a Division 17 member.

Poster proposals should include a **cover sheet and a 500- to 1000-word summary** of the study in APA style. The abstract should include some description of the nature of the presentation (empirical, theoretical, technique) and primary findings. Summaries of empirical studies should include a brief literature review, statement of the problem (hypotheses or research questions), participants, procedures, results, and conclusions. Summaries of other presentations should include enough detail for reviewers to judge the overall format and contribution of the scholarship. The proposals will be subjected to masked review. Please **do not include identifying information** in the proposal (only on the cover sheet; see below).

To submit your proposal for the Student Poster Session:

- Attach your proposal and completed cover sheet and email to **BOTH** studentposterdiv17@gmail.com **AND** the contact person of the PRIMARY section you wish to submit to (see contact list below).
- Identify in the subject line of the email: Student Poster Proposal – “Name of Section” (e.g., Student Poster Proposal – Section on Ethnic and Racial Diversity). **If you do not send your proposal to a specific section, your proposal will not be reviewed for this poster session.**
- **Please send your proposal to only one section.** If you have listed a second section you would like your work to be considered by, the proposal will be sent along by the poster coordinator on your behalf. For a description of each of the sections please go to the section website (<http://www.div17.org/sections/>)
- By submitting a poster to this poster session, you are acknowledging that you or a co-author will be able to stand with your poster for the entire poster session at the APA convention. Therefore, you may be a co-author on multiple submissions to this poster session, but you must guarantee that another of the poster’s authors will be able to stand with that poster during the session if you need to stand with a different poster. Inability to do so will impact you and your co-authors’ ability to successfully submit posters to this poster session during future conventions.

Notifications of proposal status and presentation instructions

will be sent via email after May 11th, 2018. *Given that this poster session is internally sponsored by Division 17, and not part of the official APA convention program, presenters will not be eligible for APA travel awards or waived registration fees for the APA Convention.*

- _____ 500-1000 word summary of work completed as a student
