

The Early Career Professionals Committee of Division 17 presents ...

Virtual Connection and
Development Series
Session 3: The Clinical Job
Search

Outline

During this presentation, we will provide information about:

- EPPP
- Licensure processes
- Post-doctoral training vs. full-time position
- Position postings

EPPP

Established and administered by the Association of State and Provincial Psychology Boards (ASPPB)

- Additional information:
<http://www.asppb.net/?page=History>
- FAQs:
<https://www.aatbs.com/Exam-Prep/Psychology/EPPP/FAQ>

Licensure processes

Considerations related to licensure:

<http://www.asppb.net/?page=HandbookTemp>

State-based regulations and processes

- Use of pre-doctoral supervised hours
- Requirement for a formal or informal post-doctoral experience

Post-doc vs. permanent

Considerations:

- State-based licensure requirements
- Professional identity development
- Professional goals and options for specialized training
- Personal considerations
- Finances
- Flexibility with relocation

Position postings
