

Call for Volunteers!!

The Division 17 Community Engagement Committee is collaborating with **Give an Hour** and **Tragedy Assistance Program for Survivors (TAPS)**, two organizations that provide mental health services and peer-based emotional support to troops, their families, and their surviving loved ones.

What?

Help, Hope, and Healing: Surviving Military Loss, a workshop to provide information and resources on grief that is unique to losing a military loved one. Volunteers will help with all aspects, including facilitating small discussion groups.

When?

Thursday, August 7th, 8am-12pm

Where?

The Pew Center in Washington, DC

To sign-up or for more information on volunteering or donating, please contact Sarah Nolan, senolan@albany.edu

The mission of the CEC is to work for social justice by supporting and promoting the empowerment of underserved individuals, families, and communities in host cities where the APA's national convention is held.
